It's all  
included!

# So what do we offer?

# Choose from our **SwiftPlus** solution

Solution 01

Scanner +  
Education

Solution 02

Education  
Only

Solution 03

Scanner  
Only

# The SwiftPlus Process

## Step 01

Choose the scanner brand and quantity

Scanner 1 ☒ Scanner 2 ☐  
Scanner 3 ☐ Scanner 4 ☐

## Step 02

We calculate the monthly cost for Scanner 1

£1,000

## Step 03

You receive your monthly cost back in lab credit

£1,000 to spend on redeemable products

## Step 04

So you get the **scanner for free**

## Step 05

Any additional spend **above £1,000** on lab work will be invoiced at the **end of the month**

## Step 06

If you spend **less than £1,000** on lab work, the shortfall rolls over to the **next month**

\*Please note this is an example only and not fixed price. All solutions to be individually quoted and may vary depending on requirements.

All in One –  
Implant Solution

# All part of the SwiftPlus solution

- + Quicker turnaround times**  
Our redeemable products have the quickest turnarounds, fewest errors and least remakes.
- + Elite service and dedicated account manager**  
Your personal point of contact.
- + Guaranteed support**  
Priority support and hotswap facility to get you back up and running in the event of any technical issues. Support with training, installation and onboarding.
- + No additional expenditure or upfront costs**  
Just pay for your lab work as normal, and we'll provide the rest.
- + More accuracy, efficiency and revenue with redeemable products**  
More consistent results for you and your patients and giving you the opportunity to provide new treatments and products.
- + Digitise your entire practice**  
With our offer, there's no limit on how many packages can be redeemed.
- + Elevate yourself**  
Improve your densistry and set yourself apart from your peers, by undertaking education with Tipton Training Academy, the UK's leading dental training provider.
- + SwiftConnect**  
Simplify your communication with us through our practice portal. Easily book collections, create orders, check your order status, view your invoices and statements and more.
- + Non-exclusive**  
You're not tied in to only working with us, work with any other labs of your choice.
- + Any solution of your choice**  
SwiftPlus is perfectly tailored to your needs.
